

READY SET GO JUNIOR

TO HELP YOUR CHILD PREPARE TO LEARN USING
BRAIN BODY INTEGRATING ACTIVITIES

What is it?

This camp incorporates many elements from the S'Cool Moves, Brain Gym, Interactive Metronome, and Bal-A-Vis-X programs along with additional activities to promote bilateral integration, attention, and body coordination. The program and activities re designed to help your child overcome focus, learning, and other related challenges.

Ready Set Go Junior is designed for children entering 1st and 2nd grades, for patients and those who do not receive therapy services.

Cost: private pay \$375
